

West Noble School Corporation - Accessing Your Intranet Login

It's on the Internet, but it's an Intranet

*Intranet - A secure location on our website where personnel related resources and important files are kept.
This area is private and only accessible by WN Staff.*

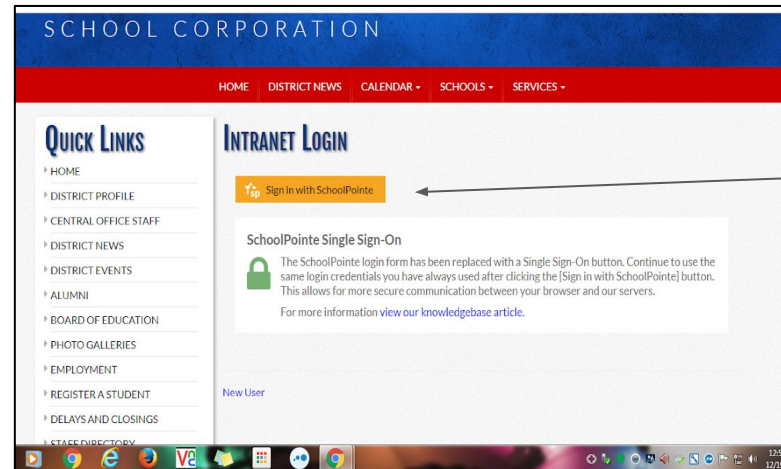

If you are a new user to the Intranet, go to the top right of our district website and click on the Intranet login button.

Click the "Sign in with SchoolPointe" button.

Sign In with SchoolPointe

Enter your school e-mail address in the box provided. Use your network password for the password.

If you receive the message "you are not a valid user" please contact your webmanager webmanager@westnoble.k12.in.us so your name and e-mail address may be added to the website staff directory and permission granted to access the Intranet.

This page looks very similar to the regular school webpages. To the left is 'Quick Links'. Click on 'Employee Benefits' to find WN medical, section 125, vision, retirement, and many other misc. resources.
