School-wide Free Meals End West Noble School Corporation 2022-2023

West Noble Families.

West Noble School Corporation wants to thank you for the support and participation with our school lunch program. As all you are aware of, the breakfast and lunch program provided free meals for every student this school year.

At this time, we are awaiting guidance from the United States Department of Agricultural (USDA) to see whether or not we will be allowed to serve free meals for the coming school year. Starting July 01, 2022, breakfast and lunch meals will no longer be free to all students.

To ensure that all families who may qualify for Free or Reduced meals and Textbook assistance, we encourage families to fill out an application for the 2022-2023 school year. The application for the 2022-2023 school year will be available in August. These applications will be available online for families to print and fill out in August. Paper copies will also be available in school offices when they reopen for fall and at our 'Back to School Charge Event' August 4th, 2022 from 3-6 pm at West Noble Elementary.

Applications that qualified from the current 21-22 school year will expire on September 27th, 2022. This means all students who had free or reduced lunch will go to **full pay** prices for breakfast and lunch.

Families may be directly certified for free or reduced price meals through SNAP and TANF, Medicaid Free. You do not need to fill out an application if you receive any of these benefits.

Please feel free to contact Debbie Rodriguez 260-894-3191 ext. 5035 on any questions you may have.

If the USDA extends the waivers to allow for free school meals next school year, we will notify families as soon as we are able.

Sincerely,

West Noble Food Service Department
