

TEACHING LIFE-SAVING SKILLS

SAFETY AROUND WATER

**THE WORLD IS 71% WATER
ARE YOU CHILDREN 100% PREPARED?**

Teach your children water safety and make water activities accessible.

WHAT IS SAFETY AROUND WATER?

Safety Around Water consists of 5 sessions designed to teach kids water safety skills that reduce the risk of drowning and build confidence in and around water. A typical session includes:

- Exercises to help kids adjust to being in the water
- Instruction in two skills sets kids can use if they unexpectedly find themselves in the water—"Jump, Push, Turn, Grab" and "Swim, Float, Swim."
- Safety topics like what to do if you see someone in the water who needs help
- Fun activities that reinforce skills

SAFETY AROUND WATER WEEK

- > June 13th through June 17th
- > 9am - 10am or 11am - 12pm
